Preface

The Restigouche County 1891 Census is the fifth in a series of census compilations for the county. This publication was completed is 1989, and copies may be obtained at the headquarters of the Restigouche Genealogical Society in the Dalhousie Centennial Library and at the Restigouche Regional Museum in Dalhousie.

The 1891 census contains the names of all family members, their sex, ages, birthplace, religion, origins and their occupations.

The census returns for the seven parishes which existed in 1891 are arranged in alphabetical order, as follows: Addington I, Addington II, Colborne I, Colborne II, Dalhousie I, Dalhousie II, Dalhousie III, Durham I, Durham II and Eldon.

This compilation should reduce the necessity of referring to the unindexed manuscript census on microfilm. However, for those who wish to consult the original, microfilm reel number T 6303 may be ordered on interlibrary loan from the Inter-Institutional Loans Unit, Management of Inquiries Section, Reference and Researcher Services Division, National Archives of Canada, 395 Wellington Street, Ottawa, ON, K1A 0N3, through a library which has microfilm readers available for the researcher's use.

This work has been accomplished through the assistance of Jackson Ross and Maxine Bain of Campbellton, NB, along with two summer students under a "Challenge '89" grant.

Very special thanks are extended to Mr. Guy Arsenault, Member of Parliament for Restigouche County, and also to our two typists, Annemarie Evodia Taina Keller and Lisa Barthe.

We are also thankful to the Provincial Archives of New Brunswick for the publication of this book.

The present executive of the Restigouche Genealogical Society is:

Jackson B. Ross - President
Annette Hynes - Vice-president
Maxine Bain - Secretary
Eileen St. Onge - Treasurer

Préface

Terminé en 1989, le présent document est le cinquième d'une série de recueils regroupant les données du recensement de 1891 du comté de Restigouche. On peut s'en procurer un exemplaire au bureau principale de la Société Généalogique Restigouche située à la Bibliothèque du Centenaire de Dalhousie.

Les données du recensement de 1891 rassemblent tous les noms des membres des familles, leur sexe, leur âge, leur lieu de naissance, leur religion, leur pays d'origine et leur occupation.

Les sept paroisses qui existaient alors y figurent par ordre alphabétique: Addington I, Addington II, Colborne I, Colborne II, Dalhousie I, Dalhousie II, Dalhousie III, Durham I, Durham II et Eldon.

Ce recueil nous dispensera de recourir systématiquement au microfilm original non indexé. Toutefois, grâce au système de prêt entre bibliothèques, ceux qui le désirent pourront commander la bobine T 6303 de ce microfilm à partir d'une bibliothèque disposant d'une visionneuse. On adressera alors leur demande aux Archives nationales du Canada, Sous-section du prêt inter-institutionnel, Section de la gestion des demandes de renseignements, Division des services aux chercheurs, 395, rue Wellington, Ottawa, ON, K1A 0N3.

Nous adressons nos sincères remerciements à Jackson Ross et Maxine Bain ainsi qu'au deux dactylographes, Annemarie Evodia Taina Keller et Lisa Barthe, les étudiantes qui ont travaillée sur le projet "Défi '89".

De même nous désirons témoigner nos remerciements à Monsieur Guy Arsenault, Membre Fédéral pour le Comté de Restigouche, ainsi qu'à la Société Généalogique Restigouche pour avoir appuyé ce projet.

Le conseil d'administration de cette société se compose de:

Jackson B. Ross - Président
Annette Hynes - Vice-présidente
Maxine Bain - Secrétaire
Eileen St. Onge - Trésorière

En terminant, nous remercions les Archives provinciales du Nouveau-Brunswick d'avoir publié ce document.

Evolution of the Boundaries

RESTIGOUCHE COUNTY was established in 1838 from part of Gloucester County.

1. (The Parish of Beresford was erected in 1814 as part of Northumberland County but it later became part of Gloucester County. It covered all of present Restigouche County until 1836 when Addington and Eldon were formed.)
2. The Parish of Addington was set off from Beresford in 1826 as part of Gloucester County. It included parts of Colborne and Dalhousie until 1839.
3. The Parish of Eldon was created in 1826 from Beresford as part of Gloucester County.
4. The Parish of Durham was erected in the year 1839 from Beresford.
5. The Parish of Colborne was set off from the Parish of Addington in 1839.
6. The Parish of Dalhousie was established from Addington in 1839. It included Balmoral until 1876.
7. The Parish of Balmoral was formed in 1876 from the Parish of Dalhousie.
8. The Parish of Grimmer was created in 1916.
9. The Parish of Saint-Quentin was probably erected in the year 1920.

Reprinted from Robert F. Fellows, Researching Your Ancestors in New Brunswick, Canada.

Introduction

The following compilation is taken from the microfilm of the original manuscript census where the order of enumeration was house by house. It should be noted that the enumerator was not always familiar with the other language(s) spoken in the parish, and therefore the spelling of the names and trades was often phonetic. The information has been retained as it was recorded, including any spelling errors.

Where the handwriting was illegible, the transcription given is either followed by a question mark (?) or is placed in parentheses ( ).

An index follows each parish, and contains the names of all family members as well as individual entries for servants, lodgers, transients and visitors.

The total index contains the names of all residents enumerated in Restigouche County in 1891.

Introduction

La compilation suivante est prise du microfilm où l'ordre d'énumération fut prise maison par maison. Il est à noter que le recenseur n'était pas toujours familier avec les autres langues de la paroisse, donc, par conséquent l'orthographe de certains noms et métiers est souvent phonetique. L'information originale a été maintenue, incluant les nombreuses fautes d'orthographe.

Là où l'écriture était illisible, le nom choisit est suivit soit par un point d'intérrogation (?), ou par des parenthèses ( ) contenant le nom choisit.

Un index est placé après chaque paroisse contenant le nom de chaque membre de la famille, ainsi que les noms donnés individuellement pour les serviteurs, les pensionaires, les passagers, et les visiteurs.

Il y a aussi un index contenant les noms de tous les résidents du Compté de Restigouche en 1891.

Preface

The Restigouche County 1891 Census is the fifth in a series of census compilations for the county. This publication was completed is 1989, and copies may be obtained at the headquarters of the Restigouche Genealogical Society in the Dalhousie Centennial Library and at the Restigouche Regional Museum in Dalhousie.

The 1891 census contains the names of all family members, their sex, ages, birthplace, religion, origins and their occupations.

The census returns for the seven parishes which existed in 1891 are arranged in alphabetical order, as follows: Addington I, Addington II, Colborne I, Colborne II, Dalhousie I, Dalhousie II, Dalhousie III, Durham I, Durham II and Eldon.

This compilation should reduce the necessity of referring to the unindexed manuscript census on microfilm. However, for those who wish to consult the original, microfilm reel number T 6303 may be ordered on interlibrary loan from the Inter-Institutional Loans Unit, Management of Inquiries Section, Reference and Researcher Services Division, National Archives of Canada, 395 Wellington Street, Ottawa, ON, K1A 0N3, through a library which has microfilm readers available for the researcher's use.

This work has been accomplished through the assistance of Jackson Ross and Maxine Bain of Campbellton, NB, along with two summer students under a "Challenge '89" grant.

Very special thanks are extended to Mr. Guy Arsenault, Member of Parliament for Restigouche County, and also to our two typists, Annemarie Evodia Taina Keller and Lisa Barthe.

We are also thankful to the Provincial Archives of New Brunswick for the publication of this book.

The present executive of the Restigouche Genealogical Society is:

Jackson B. Ross - President
Annette Hynes - Vice-president
Maxine Bain - Secretary
Eileen St. Onge - Treasurer

Préface

Terminé en 1989, le présent document est le cinquième d'une série de recueils regroupant les données du recensement de 1891 du comté de Restigouche. On peut s'en procurer un exemplaire au bureau principale de la Société Généalogique Restigouche située à la Bibliothèque du Centenaire de Dalhousie.

Les données du recensement de 1891 rassemblent tous les noms des membres des familles, leur sexe, leur âge, leur lieu de naissance, leur religion, leur pays d'origine et leur occupation.

Les sept paroisses qui existaient alors y figurent par ordre alphabétique: Addington I, Addington II, Colborne I, Colborne II, Dalhousie I, Dalhousie II, Dalhousie III, Durham I, Durham II et Eldon.

Ce recueil nous dispensera de recourir systématiquement au microfilm original non indexé. Toutefois, grâce au système de prêt entre bibliothèques, ceux qui le désirent pourront commander la bobine T 6303 de ce microfilm à partir d'une bibliothèque disposant d'une visionneuse. On adressera alors leur demande aux Archives nationales du Canada, Sous-section du prêt inter-institutionnel, Section de la gestion des demandes de renseignements, Division des services aux chercheurs, 395, rue Wellington, Ottawa, ON, K1A 0N3.

Nous adressons nos sincères remerciements à Jackson Ross et Maxine Bain ainsi qu'au deux dactylographes, Annemarie Evodia Taina Keller et Lisa Barthe, les étudiantes qui ont travaillée sur le projet "Défi '89".

De même nous désirons témoigner nos remerciements à Monsieur Guy Arsenault, Membre Fédéral pour le Comté de Restigouche, ainsi qu'à la Société Généalogique Restigouche pour avoir appuyé ce projet.

Le conseil d'administration de cette société se compose de:

Jackson B. Ross - Président
Annette Hynes - Vice-présidente
Maxine Bain - Secrétaire
Eileen St. Onge - Trésorière

En terminant, nous remercions les Archives provinciales du Nouveau-Brunswick d'avoir publié ce document.

Evolution of the Boundaries

RESTIGOUCHE COUNTY was established in 1838 from part of Gloucester County.

1. (The Parish of Beresford was erected in 1814 as part of Northumberland County but it later became part of Gloucester County. It covered all of present Restigouche County until 1836 when Addington and Eldon were formed.)

2. The Parish of Addington was set off from Beresford in 1826 as part of Gloucester County. It included parts of Colborne and Dalhousie until 1839.

3. The Parish of Eldon was created in 1826 from Beresford as part of Gloucester County.

4. The Parish of Durham was erected in the year 1839 from Beresford.

5. The Parish of Colborne was set off from the Parish of Addington in 1839.

6. The Parish of Dalhousie was established from Addington in 1839. It included Balmoral until 1876.

7. The Parish of Balmoral was formed in 1876 from the Parish of Dalhousie.

8. The Parish of Grimmer was created in 1916.

9. The Parish of Saint-Quentin was probably erected in the year 1920.

Introduction

The following compilation is taken from the microfilm of the original manuscript census where the order of enumeration was house by house. It should be noted that the enumerator was not always familiar with the other language(s) spoken in the parish, and therefore the spelling of the names and trades was often phonetic. The information has been retained as it was recorded, including any spelling errors.

Where the handwriting was illegible, the transcription given is either followed by a question mark (?) or is placed in parentheses ( ).

An index follows each parish, and contains the names of all family members as well as individual entries for servants, lodgers, transients and visitors.

The total index contains the names of all residents enumerated in Restigouche County in 1891.

Introduction

La compilation suivante est prise du microfilm où l'ordre d'énumération fut prise maison par maison. Il est à noter que le recenseur n'était pas toujours familier avec les autres langues de la paroisse, donc, par conséquent l'orthographe de certains noms et métiers est souvent phonetique. L'information originale a été maintenue, incluant les nombreuses fautes d'orthographe.

Là où l'écriture était illisible, le nom choisit est suivit soit par un point d'intérrogation (?), ou par des parenthèses ( ) contenant le nom choisit.

Un index est placé après chaque paroisse contenant le nom de chaque membre de la famille, ainsi que les noms donnés individuellement pour les serviteurs, les pensionaires, les passagers, et les visiteurs.

Il y a aussi un index contenant les noms de tous les résidents du Compté de Restigouche en 1891.
